\*GNED 1067 is equivalent to GNED 2035 Abnormal Psychology. If you have already successfully completed or received a transfer credit for GNED 2035, please do not register for GNED 1067 as it will not count as another GNED credit towards your Program requirements.

\*\*\*GNED 1047 is equivalent to GNED 2072 Environmental Citizenship . If you have already successfully completed or received a transfer credit for GNED 2072, please do not register for GNED 1047 as it will not count as another GNED credit towards your Program requirements.

\*\*\*\*GNED 1066 Personal Finance (ODE) is equivalent to GNED 1003 Personal Finance . If you have already successfully completed or received a transfer credit for GNED 1003, please do not register for GNED 1066 as it will not count as another GNED credit towards your Program.

\*\*\*\*GNED1063 Human Behaviour in The Workplace (ODE) is equivalent to GNED 1005 Human Behaviour in the Workplace . If you have already successfully completed or received a transfer credit for GNED 1005, please do not register for GNED 1063 as it will not count as another GNED credit towards your Program.

\*\*GNED1083 and GNED1084 are Compressed 7 week courses. These will satisfy a GNED credit (if you are successful in passing the courses with the required grade for your Program), however please keep in mind that the workload for a compressed course is more than a typical GNED as the hours are compressed into 7 weeks rather than spread over 14 weeks. Please expect to dedicate a minimum of 7-10 hours per week to these courses on average for the 7 weeks.

**(ODE)** in the course title - refers to Ontario Distance Education (Ontario Learn) courses. These are not delivered by Georgian, therefore COMM and GNED office is unable to support you with any technical needs or academic appeals with these courses. They come with an added cost. **You will receive an email from the OntarioLearn office at Georgian (ol@georgiancollege.ca) after you register with instructions on how to access your course and additional details.** They are not through Blackboard, and grades may be delayed (if you are in a program that requires grades for Board exams, please check with the Reg. Office if timing of this course is acceptable to meet those deadlines).

Please refer to MyPath, or seek advice from a student advisor if you have taken courses previously at Georgian (or Ontario Learn) to ensure you are not taking the same course again (Course codes may be different, but equivalent). If you have courses from another College of University, and are interested in having them evaluated for credit transfer, it is best to do this early (before the semester starts), and submit course outlines along with the credit transfer request to the Credit Transfer Centre. Please visit Credit Transfer online for more information on this process.
